

A DANGER SIGN

The cotton-textile industry has been caught in a three-way squeeze which has resulted in one billion fewer yards of cotton goods being turned out in the present six-month period than in the first half of last year.

The squeezes which are driving the textile industry into a hole, particularly in New England, are as follows:

SQUEEZE NO. 1—Labor unions in the textile industry have pushed wages up to near the point of diminishing returns, and are talking now of a "fourth round" campaign for still higher pay. The organized mills are at a heavy handicap compared with the non-unionized mills. There is a new move for New England mills to transfer their activities into the South. Whether they stay or move, they are caught between rising costs and lower market prices.

SQUEEZE NO. 2—General uneasiness in the American markets over the financial future of the country has been reflected in the unwillingness of merchants to keep their inventories up. They are buying from hand to mouth. There is in effect, throughout the nation, a sort of informal buyers' strike; everyone is waiting for further price-cuts. Merchants are trying to protect themselves. The mills have had to slow down accordingly.

SQUEEZE NO. 3—The New Deal foreign trade chickens now are coming home to roost. For several years, influences high in our State Department have been doing three things which are greatly complicating the present problem. These are: (a) setting up textile industries in foreign countries; (b) "supporting" the domestic cotton price (that means, keeping it high) by having Uncle Sam buy up American cotton and give it to foreign countries (Japan, Germany, and heaven knows who else) both for use there, and for reprocessing and reimportations into this country; and (c) cutting the tariff protections.

While the official reports on foreign trade have been so jerked around during the Truman Administration that it is no longer possible to get a true picture of the overall situation concerning commerce, there is no room for doubt there is a growing stream of cotton goods being shipped into the U. S. A. where it competes with our own production.

Some have been coming from Japan, some from Europe, some from our colonial possessions, and some from Latin America. Quite a bit of it, being subsidized somewhere up and down the line by American tax moneys, is on the market at less than American costs of production.

Much of this subject has been presented to the public by officials of the various cotton textile associations.

The facts are no comfort to the thousands of textile workers whose earnings have been reduced, or who have lost their jobs, as a result of these squeezes.

Similar squeezes are operating on many other industries. Some of the basic industries, such as steel, are considering sharp reductions in their output. Others, such as automobiles, television, etc., still are behind in supplying the demand of American buyers and therefore are a jump ahead of being caught in the rollers.

What makes the plight of the textile industry a serious problem, with ominous overtones, is that it was a similar reaction in the same industry which produced the 1920 panic after the First World War.

A sudden wave of unemployment, starting in New England, had nationwide repercussions. The post-war boom collapsed with a bang. A great many other industries followed textiles into a tailspin.

What happened was essentially quite simple. Only the "explanations" of New Deal propagandists in recent years have made it complicated.

Back just before the First World War, Woodrow Wilson, who had been elected in 1912, repealed the protective tariff laws and set up a system of "tariff for revenue"—that is to say, "free trade" under a thin disguise.

Before foreign producers could take advantage of this breach in the protection wall, the War intervened. As soon as the War was over, and as soon as ships were again free for trade, the rush of cheap foreign goods began to hit our shores. The textile trade happened to be the first one to suffer. But others came rapidly under the guns.

The panic of 1920 was a tariff panic. It came just as predicted by Republicans in 1913 and 1914—and if it was not on schedule in time, the reason for that delay is obvious: the War.

Organize Purple Cross Nurses Unit Locally

A Purple Cross Nurses Unit was organized at the bi-monthly meeting of Twilight Temple, 106, I. B. P. O. E. W., on Tuesday evening. In charge of the organizing was Queenie Trustee, national state districtress of nurses in that organization. At the same time Miss Trustee presented the temple with the charter.

The newly-organized local unit will be called the "Cora Reed Purple Cross Nurses Unit, No. 199" in honor of the deceased organizer of Twilight Temple.

A past officer, Mrs. Mary Quarles, was unanimously elected president.

ENJOY "PENNSBURY"

Yesterday students from the Stevens School, Philadelphia, and from the Groveville School, Trenton, N. J., paid visits to "Pennsbury". Others who made a trip through the buildings and grounds there this week are members of the D. A. B. chapter of Orange, N. J.; Abington township school pupils; and students of the Gregory school, Trenton.

A SUMMARY OF THE NEWS

Representatives of the Big Four agreed yesterday to end the Soviet blockade of Berlin and the Western counter-blockade and to convene the Council of Foreign Ministers in Paris to discuss the entire German question, including Berlin currency. It was said the blockades would be lifted one week from today and the Paris meeting would start on May 23rd. Determination of the date on which the Berlin airlift should end will be left with General Clay. After a farewell review of his forces in Frankfurt, General Clay said the pending agreement could be only temporary, but he added that war was not inevitable.

Relief and skepticism marked the reaction to the news. Berlin felt that while the battle for the city was over, the battle for Germany was about to begin. London observers saw a change of tactics by Moscow, but not a change of heart. At a farewell luncheon in Paris, Ambassador Caffery, pointing to Soviet propaganda on "capitalist warmongering," said peace could not "bloom in the poisoned atmosphere of lies and distortions." A Moscow journal called the United States press the tool of "warmongers." Washington opinion held that

Rescue Squad Soliciting Funds; Has Fine Record

Bucks Co. Rescue Squad, a volunteer unit, which is soliciting funds from door-to-door at the present time, is specially trained for handling and transportation sick or injured to hospitals with the most modern equipment available. It is backed by 17 years of experience and service in Lower Bucks County.

This is believed to be the largest and best equipped volunteer rescue-ambulance corps in the country today. This organization supplied free of charge 437 pints of blood in emergencies for residents of Lower Bucks County during the past year. The men and women receive no pay for their services; in fact, they must pay dues for membership and buy uniforms and badges which they wear.

Donations of the public will supply and maintain this equipment. The squad supplies volunteer crews on duty for public service 24 hours a day.

ADOPT ORDINANCE FOR ACCEPTING STREETS

Second Ordinance Calls For Construction of Bituminous Surface for Same

IN HULMEVILLE BORO'

HULMEVILLE, May 5—The ordinance providing for establishing, laying out and opening of three public streets in Hulmeville borough to be known as Lincoln, Ford and Reetz avenues, and establishing grades of said streets, gutters, curbs, etc., and requiring property owners of lands abutting said streets to construct curbs and gutters along such thoroughfares, was adopted by members of Hulmeville borough council at an adjourned meeting held Tuesday evening in the town hall.

The ordinance, the result of many years of planning, is signed by the president of council, Samuel J. Illick; Burgess Leon R. Conly; and attested to by the borough council secretary, Mrs. Edward Black.

Another ordinance also enacted on Tuesday evening, calls for improvement of said thoroughfares by construction of bituminous surface cartway, and construction of cement concrete curbs and gutters along properties abutting said streets. This ordinance also authorizes the burgess and councilmen to enter into a written contract or contracts in the name of the borough for construction of said improvements to the three streets. Costs of paving of the streets is to be cared for from funds derived from sale of street improvement bonds, county aid and other legal sources.

Y. M. C. A. TO OPEN DRIVE FOR FUNDS HERE ON MAY 23RD

Advance Gifts Committee Will Begin Work Next Week

HOPE FOR SUCCESS

Effort To Be Made To Increase Number of The Contributors

The Bristol Young Men's Christian Association, a branch of the State Y. M. C. A., will launch its financial campaign in Bristol, beginning May 23rd. The advance gifts committee, composed of members of the Y. M. C. A. Board of Directors, will begin next week to contact previous contributors to the work of the Y. M. C. A. in order to facilitate the work of the campaign when it opens on May 23rd.

The goal for the campaign has been set at \$7500, which the board of directors has established as a minimum needed to cover the costs of the renovation of the new Y. M. C. A. building, and to insure adequate operation for the current year. "It is hoped that this amount will be oversubscribed, in order to make available a new heating system, and some additional equipment which will be needed for the com-

MAY SET UP DAY CAMP FOR GIRL SCOUTS IN JULY

Plan Is To Select Site Near Langhorne for Lower Bucks County

VOLUNTEERS NEEDED

LANGHORNE, May 5—Plans for a prospective Day Camp for Girl Scouts to be held in the vicinity of Langhorne were discussed at a meeting held at the home of Mrs. Reese Thomas, Camp Committee Chairman of the Bucks County Council of Girl Scouts, Inc., Station Avenue. If set up, such a camp would include girls from Andalusia, Bristol, Feasterville, Langhorne, Newtown, Cornwells Heights, Croydon, Parkland and Eddington.

Girl Scout leaders and Troop Committee members from these areas plan to discuss the possibility of securing transportation for these girls with their parents and other members of the community. If this transportation can be secured and if enough people are willing to volunteer as day camp staff, the camp will be set up for two days a week during July—a total of eight days.

"It is possible to set up a program in Day Camps similar to that in established camps. The girls are able to live in small units of sixteen girls of their own age group where they enjoy hikes, cook outs, camp crafts, crafts, songs, dramas and campfires," it is stated.

The group will meet again on Thursday afternoon, May 12th, to decide whether or not such a camp can be set up and staffed this summer.

Dollars Meagre? Work With Vigor!

(By "The Stroller")
To Mr. Bristol:
Job ahead
Work with vim.
Keep flies out.
Put screens in!
You may not be worth millions, but you're truly a millionaire if you have your own home, the accessories that make for comfort, and the interest in keeping things spick and span.

Mrs. Bristol (your thrifty wife) long ago learned to make dollars go far by doing many a task about the house herself. Each spring and fall gives you a chance to show how you can aid the family budget. Get out those screens and hang them yourself. It's not a tough job. Make sure the screening is secure. Mend any spots, paint the screen and frames if necessary. Then when the job is done you'll have a right to step back, cock an eye over the place, and really beam with pride.

HARRY WANDEL, JR. FORMER BENSALEM RESIDENT, KILLED

Airplane He Was Piloting Crashes Into Side of Yuma, Colo., Hangar

WORLD WAR VETERAN

Civil Aeronautics Engineer Was Husband of Edwina Thomas Wandel

CORNWELLS HEIGHTS, May 5—When an airplane crashed into the side of a hangar at Yuma, Colo., at 5:15 (EDST) last evening, a former resident of Cornwells Manor, Harry Wandel, Jr., aged 30, was killed.

Wandel, a veteran of World War I, had been repairing the 'plane prior to taking off. It is believed that the motor stalled before sufficient altitude could be gained, resulting in the crash. He was employed as a Civil Aeronautics engineer.

The deceased had served with the U. S. Air Force overseas during the recent war. He is survived by his wife, Edwina Thomas Wandel, of Yuma, whom he wed last October 23rd; his father, Harry Wandel, Sr., and a brother Carl, of Cornwells Manor.

A Presbyterian clergyman telephoned members of the Thomas family, here, last evening, to inform them of the tragedy.

A short service will be arranged at Yuma by associates of the deceased, prior to the body being forwarded east for interment.

Mrs. Edwin L. Thomas, of Andalusia, mother of Mrs. Wandel, has left for Yuma to accompany her daughter home.

MISGUIDED EXPERIMENT
Gripping has been the time honored emotional release and prerogative of the service man. The lower echelons did it in barracks, or below decks. The brass did it in the privacy of their offices, quarters and staterooms. But with the advent of the new Secretary of Defense, Louis Johnson, gripping could become, in certain instances, a court-martial offense. That is, if commanding officer followed to the letter the cloudy wording of a document called Consolidation Directive No. 1.

The directive, issued on April 14, was obviously intended to end inter-service back-biting and bickering. It made anything said or written by any member of any of the services subject to review for "security, policy and propriety." The limitation of "security" made sense, but inclusion of the words "policy and propriety" — sweeping language—implied censorship. It applied to everyone in the services. It could reach out into private life and touch a retired officer, if something he said or wrote happened to strike an officer of the Defense Department or another service as "impropriety."

The pall of silence the order has thrown on military officials is practically complete. Although no officer concerned could be persuaded to open his mouth (for obvious reasons) newsmen have been able to establish that the department is about to do a quick flip flop on policy. They think that the department will either amend the order, or it may issue an "explanation" clarifying what the directive is supposed to explain.

There is universal doubt that Secretary Johnson had any intention of manipulating thought and speech among the services in such an absurd and dangerous fashion, accompanied by the hope that this misguided experiment in policing of thought will be speedily killed.

NO CHANGE OF HEART
While all of the western nations, including Germany, will be glad to see the end of the Berlin blockade, none of their leaders is so simple-minded as to believe that this represents a change of heart by the Soviet. On the contrary, the available testimony is still to the effect that Moscow has not abandoned its dream of world domination.

Every Russian word and action continues to indicate deep hatred of non-communist nations and a relentless determination to bring them to their knees.
If, then, the Berlin blockade is lifted, it will be simply because it has failed as a weapon in the cold war. The Soviet has been beaten at its own game and is suffering heavier losses than it is able to inflict upon the West.

What it is now doing—to use a military expression—is to withdraw from an untenable position to concentrate its forces elsewhere. There will soon be a new front in the conflict between East and West.

A Danger Sign

Continued from Page One

The panic ended when Congress passed new protective tariff laws.

The difficulties now visible in the textile trade are a danger sign because they indicate that history is repeating.

Once again, as before, a Democratic President (Roosevelt) slashed tariff rates just before a World War (the cuts began in 1934).

Once again, world conflict tied up international commerce for a period of time. Once again, as shipping and production return to normal, foreign goods are showing up at prices lower than American production costs.

How much of the economic slowdown is now being felt in this country is due to the tariff reductions alone, and how much to other causes, cannot be stated finally.

But the fact that imports last year broke all records, and passed the seven billion dollar level, is most significant. Much of those goods were directly competitive with American production. Many of them, due to one reason and another, were priced lower than the American equivalents. They put American workmen out of work.

In this situation there are the makings of a new depression, perhaps deeper than ever—which will last until Uncle Sam gets wise to himself and goes back to the principle of keeping tariffs high enough to serve as protections to American industries, American jobs and American living standards.

"Good Neighbor" Award Given Mrs. P. Gleichman

An evening of fun was enjoyed by those attending the "Breakfast in Hollywood" program, Tuesday evening, in Bristol Methodist Church. The affair was sponsored by Bristol Browne troop, No. 51.

On the platform were "palm trees" made of bare trees with green paper hands to represent "palms".

Mrs. Pasquale DiLorenzo introduced the master of ceremonies, Charles Rathke who was assisted by "Corney" (Earl Muffin) and "Lima" (Caroline Bilger). Mrs. John Speer, Jr., leader of the troop, made a few remarks.

The musical program included a vocal solo by Mrs. James Swank, accompanied at the piano by Miss Gladys Liberator; piano duet, Miss Gladys Liberator and Mr. Firman; vocal solo, Miss Ethel Mae Weaver accompanied by Mr. Firman; piano solo Mr. Firman; group singing, accompanied by Charles Brodie.

An orchid was presented to the

oldest woman present, Mrs. Eva Morici; and the wishing ring to Mrs. Peter Sabatini. Her wish was to have Charles Rathke sing, "If You Knew Susie", and her wish was granted. A "good neighbor" award, a vase of flowers, was presented to Mrs. Paul Gleichman for outstanding kindnesses. Her name was submitted by Mrs. Albert Sheetz.

Humorous and original hats were worn by various individuals. The judges chose as winners: prettiest hats, Mary Manzo, Dorothy Sabatini, Patricia Speakman; most original, Elaine Simpson, Mrs. Bentley and Mrs. Sheetz; funniest, Doris Wiedler and Florence Simpson. Numerous other prizes were awarded. Dish gardens and a potted plant were sent to sluttins, namely Mrs. Scott, Otter street, Miss Virginia Pizzula, Market street, Albert Reeves, Market street, and Mrs. S. Paul, Wood street.

The evening was concluded with the serving of refreshments in the social hall.

"An effort will be made this year to increase the number of contributors to the work of the YMCA, and it is planned that everyone will be given an opportunity to participate in the support of this project for the youth of Bristol."

Harold N. Crooker, Clyde Waterman, and James D. Wilson, will serve as committee responsible for the industrial division. David Landreth, chairman of the board of directors, will head the committee on personal contributions, and members of the Hi-Y and Tri-Hi-Y clubs will assist in the "House to House" canvass. Other members of the board of directors include: Paul V. Forster, Esq., David Hertzler, Warren P. Snyder, Rev. Edward G. Yeomans, Dr. John J. Hargrave, Devon Smith, Lester D. Thorne, John Burris, Miss Marian Peck, Mrs. Louis Townsend and Mrs. Vera Goslin.

T. P. Eppley, district executive of the State Y. M. C. A. will direct the campaign, "and it is hoped that everyone will give this effort their wholehearted support to insure the continued growth of this Christian service for the young people of our community," says the committee.

The new YMCA building was dedicated on March 29th, and since that time participation on the part of the young people has been unusually fine. There have been well over a hundred memberships issued to date, with new members being received each day. Attendance records for the month of April showed a participation of 1637 persons using the new YMCA facilities. In addition to this several organizations outside the membership also used the facilities. A new Youth Council, composed of young people within the membership, will be formed May 6th, to help formulate the plans for the summer program. A party for the entire membership is being planned for later this month, and plans are now underway for the continuance of the Bristol Youth

Week program, and the summer baseball leagues, swimming instruction, etc.

The YMCA building is open each evening from 6.00 to 9.00 p. m. and Saturday morning from 9.00 to 12.00 a. m. Anyone not having had the opportunity to see the facilities available for the young people, is urged to stop in and visit at any of the above times.

Parents Witness Scout Investiture Ceremony

CORNWELLS HEIGHTS, May 5—Parents and friends of Boy Scout troop 12 attended the investiture service which took place in the social hall of Cornwells Methodist Church on Monday evening.

The program in part: Introduction, F. S. Lockard, Scoutmaster; group singing, led by Eagle Scout William Hart, "America" and "I've Been Working On the Railroad" to the tune of America, played by Mrs. Bert Conn, pianist, the curtains opened and the Scouts filed in; various phases of scouting were depicted; Raymond Berger recited the Scout Promise; a brief troop meeting was conducted; Warren Poston, neighborhood commissioner spoke briefly; the procedure used when new candidates are proposed for the troop was demonstrated; "Swanee River," "Songs My Mother Taught Me," "Solo Mio," Mrs. Conn; candle-lighting ceremony conducted by William

Hart. Twelve candles were lighted and a Scout law recited for each; the Buffalo patrol under leadership of Charles Tomlinson was invested; institutional representative, Norman Warden presented a chart to the troop which will be hung in the Scout Hall and will be used to keep a record of Scout activities; Walter Fox accepted the chart on behalf of the troop; trumpet solo, "I'd Give a Million To-morrow"; senior patrol leader, John Lockard; group singing, "Home on the Range"; "I Want a Girl"; "Let Me Call You Sweetheart"; Camping scene in which how to set up a tent and how to make a fire without matches was demonstrated; the first aid demonstration showed several boys setting the broken leg of a Scout in a splint composed of newspapers and kerchiefs.

Other numbers: trumpet solo, "March," John Lockard; piano selections, Mrs. Conn; hand signals, demonstrated by Robert McElhenny, 3rd, with actions by the troop; presentation of 100% "Boys Life" subscription banner and year cards.

Memorial Poppies Are Being Made By Veterans

Poppies by the thousands are coming from the skilled fingers of disabled war veterans at Veterans Administration Hospitals in preparation for Poppy Day, May 20. Mrs. Marvel Durham, Poppy Chairman of Robert W. Bracken Unit of the American Legion Auxiliary, announced today.

Mrs. Durham is directing arrangements for the observance of Poppy Day here, when the veteran-made poppies will be worn to honor the dead of both world wars and to aid the disabled and the children of veterans. Describing the poppy-

making activities at the Aspinwall Veterans Hospital, she said: "It is very interesting to see the way a veteran makes a poppy, taking petals of crepe paper and a stem of wire and shaping them into a very attractive replica of the wild poppies which grew on the battle fields and around the graves in Europe during both wars. Many veterans become very skillful in the work and can produce the memorial flowers with amazing rapidity. They enjoy the work, and being gainfully employed helps give them a wholesome mental attitude which promotes recovery."

"Being handmade, each of the Auxiliary's poppies is slightly different, varying with the maker's skill. At one time the Auxiliary used silk poppies, but the crepe paper flowers were adopted because they provide more interesting work for the veterans and can be made at a minimum cost for materials. Millions already have been made for this year's sale in hospitals and workshops throughout the country."

South Clarke's SHOPPING TIPS FOR BUDGETEERS

GIVE HER GLOVES. Mothers always welcome gifts of gloves. Few women have enough pairs. Make them nice ones while you're about it. Snel-lenburgs Glove Dept. has a special Mother's Day collection of nylons—famous brands. They range in price from \$1.65 to \$2.98, and come in black or white. You can have them gift-boxed, too. Sizes run from 6 to 7 1/2. I particularly liked a 6-button-length number, suitable for dress-up time. See it. (1st fl.)

NOTHING "CHEAP" for Mother on her Day! Perhaps you can't give her a tiara, but you can buy her the better type of costume jewelry that's beautifully designed and long wearing. Take Forstner designs, for example. I've worn a costume necklace for years. Other good costume jewelry houses are Trifari, Monet, Hollywood. Snel-lenburgs Costume Jewelry Dept. has collections from all these houses. Ask for the pieces by name. Prices range from \$1.98 to \$24.95, plus 20% U. S. tax. (1st fl.)

FESTIVE TOUCH on Mother's Day is surely candy—no matter what else you give her. Snel-lenburgs Candy Depts. have several special kinds for you to take home to her or send. What does she like best? chocolates, bonbons, hard candies? Snel-lenburgs are offering big 8-lb. jars of bright hard candies at a mere \$1.19. You'll find, too, especially nice assortments of favorite brand chocolates. Huyler's luscious goodies, centered with cream, fruits, nuts, are priced at \$1 to \$2 a pound; Segal's exceptional fruits and nuts, covered with milk chocolate, cost \$1.59 a pound, \$3 for 2 pounds. Mailard's famous "Velour" chocolates, with a variety of centers, are priced at \$1.25 a pound. And those Baronet "Miniature" chocolates—which go so far!—are priced at \$1.10 a pound. (1st floors.)

GARDEN TOOLS. Need a light steel lawn rake, for leaves, dead or cut grass and such? Snel-lenburgs Housewares Dept. has a good 18-in. "Diston" at \$2.25, a 24-in. at \$2.95. Better buy a heavy garden rake too. A good 14-tooth one is priced at \$2.25. You'll find, too, "True Temper" spades, for heavy garden duty, priced at \$2.35; "Trustworthy" hoes at \$1.13, and excellent forks priced at \$2.35. Good tools make gardening a pleasure. (3rd fl.)

NO ARGUMENTS are needed to get our men to cut our lawns when they can have the fun of creating smooth green carpets, with the help of "Reo Royale" power mowers. The "Reo Royale" has a single-cylinder, 4-cycle, air-cooled gasoline engine that is built to highest automotive standards. It starts, stops, slows down, speeds up with "Magic Touch" control. It makes mowing easy for practically every member of the family. Junior can earn college money with it! Prices are as follows: 21-in. cut "Reo Royale," \$119.50; 25-in. cut "Reo Trifalawn," \$194; 25-in. cut "Reo Trifalawn," \$219. See the three in Snel-lenburgs Housewares Dept. Buy on deferred payment plan if you wish. (3rd fl.)

TAILORED LAWNS are those with trim edges. A good combination of mower and edger will save gardeners' backs and hands. You'll be interested in seeing those shown in Snel-lenburgs Housewares Dept. They have strong handles, 8-in. steel blades and are equipped with grass guards. Priced at \$15.98. Can be bought on deferred payment plan. (3rd fl.)

BUY GOOD HOSE of any kind, but this time I'm referring to the garden variety! Snel-lenburgs Housewares Dept. specializes in "Swan" garden hoses having from a 5- to 15-year guarantee. What a relief from leaks! "Swan" hold up to 800-lb. pressure. A 50-ft. double-braid "Swan," complete with chromed couplings, with 15-year guarantee, costs \$9.98. A 25-ft. "Swan," with 10-year guarantee, brass couplings included, costs \$4.49. Brass nozzles are priced at 25c and 39c; "Rain King" chromed nozzles at \$1.25. (3rd fl.)

FLOWER GIFTS are always appreciated on "Mother's Day." It's a pleasure to buy plants in Snel-lenburgs Garden Dept.—they're always so reasonably priced. If Mother gardens, or has a window box, what about offering her a nice basket of old-fashioned pink or red geraniums? A basket of five costs but \$1.69. The children could give her gladioli bulbs. Big ones, imported from Holland, in several colors, cost but \$1 a dozen. If you're mother herself, just throw around a few hints! (1st fl.)

P.S. Do send clippings with mail orders when you can! Phone free (5c, 10c, and 15c out-of-town calls only). Penna.—ENT. 10160; Jersey—WX-1150. Shop located Market, 11th to 12th Sts., Phila.—through to 1125-29 Chestnut St. Be hearin' from you!

BACKACHE, LEG PAINS MAY BE DANGER SIGN

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Past Presidents' Day Is To Be Marked By Travel Club

Past-Presidents' Day will be observed at the bi-weekly meeting of the Travel Club tomorrow afternoon at 2:30 in the club home.

The drama, literature and music committees of the club have been collaborating to make this an interesting and unusual program, and a number of the past presidents will participate.

Mrs. Harry T. Neher, chairman of the program committee and a past president of the club, will be in charge.

This is a guest day and the hostesses will be Miss Frances H. Lanthorn and Mrs. Emil Metzger.

Previous to the meeting, the past presidents will enjoy a luncheon at the Penn Manor Club.

Today's Quiet Moment

By Rev. Bickley Burns Brodhead
Pastor
Bensalem Methodist Church

Psalm 139:23: "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting."

We test everything but the quality of our lives. Knowledge is put to the test in school. A car is given a road test. Water is tested for purity. As we read the Courier we see the world put to the test day by day. In the quiet moment ours is the opportunity to take time and test our day, our ideals, our lives. The willingness to test one's life in the light of God's revelation in Jesus as to what our lives should be—this is the most important test of life. Check up on yourself in the light of the standards set by Jesus. Let God's Word and Spirit test you!

"Search me, O God, and know my heart: try me and know my thoughts. . . and lead me in the way everlasting. Amen."

tion marked David's seventh birthday anniversary. Favours were pink baskets filled with candy for the women, packs of cigarettes for the men, paper hats and beach balls for the children. HIGH SCHOOL NINE SCORES ALL RUNS IN TWO INNINGS

MORRISVILLE, May 5 — Bristol High scored all its runs in the first two innings yesterday afternoon as it trimmed the Morrisville Bulldogs, 7-3, on the Robert Morris field. The triumph enabled the Warriors to move into a tie with Council Rock for first place in the Lower Bucks County League.

The Warriors counted five big markers in the first and drove the Morrisville mound ace, "Jim" Ryan, back to the bench in fast order. "Bill" Powell, who replaced Ryan, was nicked for two runs in the second but settled down to allow two hits without a run in the last five frames.

Joe Ashby, Coach Jerry Bloom's hill choice, set down the home team with comparative ease. Morrisville tabbed Ashby for three hits, two singles and a double. The Bristol hurler was given ragged support, six errors being charged to his mates. He whiffed seven and gave up four passes.

Ashby's battery mate, Frank "Hustler" Barbetta, handled his slants with ease and was a fine help behind the plate. Barbetta had three assists, throwing out two runners at third and picking off another at first.

At the plate, Frank Rich contributed two hits which drove in three runs for Bristol's cause. Others who had a pair of hits were "Bill" Moll and "Jimmy" Morrell. Joe Dominick had the only extra base hit for the winners, a double in the first.

Morrisville had six base-runners stranded, while Bristol left four on base.

The Bulldogs scored their first marker in the initial frame when with one gone, E. Ryan drew a walk and after stealing a base crossed when Andy Nemeth cracked out a double, the only Morrisville extra base hit. Felver went out on a fly and Johnson reached base on an error but Barbetta picked him off the bag.

Nine batters stepped up to the plate in the Bristol half of the inning. Braam hit safely and Morrell walked. Barbetta advanced the runners with a sacrifice. Moll, Rich and Sam Petrizzzi hit singles and Dominick followed with a double and five runs were over the plate. Pindar and Ashby skied out.

The Bloom-coached lads added two more in the second. After Braam grounded out, Morrell and Barbetta had base hits. Moll sacrificed the runners and Frank Rich's single enabled both to score. That was the climax to Bristol scoring, although Morrell had a hit in the fourth and Moll in the seventh. Moll was out at the plate, attempting to score on a steal.

Morrisville counted a pair of runs in the third. After Marcucci singled, three errors in the infield on grounders by Ryan, Felver and Johnson pushed over the runs. Marcucci and Johnson went out at third on throws by Barbetta.

The Bulldogs attempted some sort of a rally in their final turn with the stick. After Powell struck out, Zack batted for Morley and got a hit. Marcucci got a break on Petrizzzi's error. Ryan was tossed out by Ashby. Nemeth walked to load the bags. Felver hit to Petrizzzi and went out at first.

ant to district secretary Davis; Dr. Joel S. Strickland, president of Ambler club, and Mrs. Strickland; William Kay, president of Langhorne Lions Club and Mrs. Kay; Mr. and Mrs. Al Rotelli, of the Ambler club.
The entertainment was furnished by Edward Brown, who acted as master of ceremonies, he keeping the audience in "stitches." He called upon Henry Sodano to render several vocal solos, and also Mrs. D'Annunzio to sing several numbers. A surprise was given the audience when Mr. Brown introduced little Anthony Inverso, accordionist, who recently took top honors in an amateur hour program. Anthony capably responded, and made a great impression with his skill on the instrument. There were also acts of magic and musical selections; and solos by Mr. Brown.
Door prizes were awarded to some ticket holders, then the group enjoyed dancing with music furnished by an orchestra.

TOWNSHIP VARSITY WINS FIRST GAME OF THE SEASON

Bristol Township's varsity team won its first game of the season, yesterday afternoon, as it beat the St. Francis Vocational School nine, 8-3, on the winners' field.

Harry Eisenbrey and "Lou" Loeffler paved the way for the Township triumph with two hits each. Eisenbrey had a triple and single while Loeffler contributed a double and single. The other Township bingle was made by Bob Ashby.

Coach Stan Dick used Lane Conn and Ashby against the St. Francis boys. Conn went out in the fifth and Ashby finished.

St. Francis used Milano and Garrett on the mound with the former going behind the plate when Garrett came in to pitch. St. Francis had three hits.

The New '49 PONTIAC

Pontiac—Division of General Motors

Even Better than it Looks!

When you observe its fresh and fleet new beauty, it might seem unbelievable when we say that the 1949 Pontiac is even better than it looks. But after you've examined its scores of new comfort and quality features . . . after you've experienced its really exciting performance . . . we're sure you, too, will agree that in basic goodness, it surpasses its own good looks!

It's hard to believe a car so low-priced could combine the flashing sleekness of Pontiac's new styling . . . the gracious comfort of Pontiac's new Vision-Aire interiors . . . and the almost incredible road-easing action of Pontiac's exclusive "Travelux" Ride. Add to those unique attractions, the "zing" . . . the smoothness . . . the economy and *proved dependability* of Pontiac's famous improved straight eight and six cylinder engines . . . and the matchless driving enjoyment of GM Hydra-Matic (Optional at extra cost) and you've got something almost irresistible! There's no better time than now . . . to see it and to place your order.

PONTIAC'S EXCLUSIVE NEW "TRAVELUX" RIDE is an experience in comfortable ease unique among motor cars—achieved by combining Pontiac's new Center-Poised seating, softer springs, gentle-flex front suspension, new sealed airplane-type hydraulic shock absorbers and new low-pressure tires!

**MORRISVILLE MAN
IS NAMED IN SUIT****John P. Reading is Named
Defendant in Action
in Assumpsit****IN AMOUNT OF \$216.52**

DOYLESTOWN, May 5 — Three suits, one in which a Morrisville man is being sued for \$216; another in which a Haycock township wife is seeking a divorce and the other in which two motorists, Franklin Allen and Leon Winkler, are appealing from a judgment handed down by a Sellersville Justice of the Peace, have been filed in the Court of Common Pleas, here.

Following a decision by Justice

of the Peace Paul H. Stinley, Sellersville, in which he gave judgment for \$216.52 with interest from October 19, 1948, to an Allentown motorist, G. W. Reed, 122 South 16th street, two Quakertown, RD 1 motorists, Franklin Allen and Leon Winkler, have filed an appeal in the Prothonotary's Office, here.

The motor accident happened October 12, 1948, at South Main street and Park avenue, Quakertown, when Franklin was driving a car owned by Winkler, Justice of the Peace Stinley handed down his

decision Feb. 23, this year, in favor of the plaintiff, Reed.

Mrs. Julia Angeline Wefss, Haycock twp., Quakertown, RD 3, has named her husband, Richard Ferdinand Weiss, Main st., Hellertown, defendant in a divorce suit. They were married June 6, 1937, by Rev. M. A. Sysol, rector of St. Isadore's Catholic Church, Quakertown. The defendant's home address is Bethlehem, RD 4.

John P. Reading, 135 Keystone st., Morrisville, has been named the

defendant in an action in assumpsit by Esso Standard Oil Company of Penna., which is claiming \$216.52 from June 1, 1948, for the purchase of gasoline, petroleum and auto supplies.

NEWS OF INTEREST TO PA. FARMERS

By John Harms
(N. S. Penna. Farm Editor)

HARRISBURG, May 5 — County officials throughout the State today were laying the groundwork for Pennsylvania's traditional Fairs. Ninety-eight counties and communities so far have filed intentions to hold fairs with the State Agriculture Department and others were expected to notify the Department of carnival plans.

The season starts August 1 when the Clearfield County Fair opens a six-day stand at Clearfield.

Last year the Department reported 193 county and community fairs in the State. Each fair is eligible to share in State aid for payment of premiums for agricultural exhibits. These exhibits are the pace-setters for products and exhibits which eventually wind up at another Pennsylvania tradition — the State Farm Show in January.

Fair attendance at last year's festivals amounted to 4,284,000, according to the Department and Secretary Miles Horst said he expected greater throngs to see top-notch exhibits at this season's fairs.

The 1950 edition of the Pennsylvania Farm Show was set for January 9-13, and will offer, in addition to the usual exhibits, evening programs along the same lines which attracted 550,000 visitors last January.

Horst, chairman of the Farm Show Commission, said popular features such as the Pennsylvania State Police horsemanship and dog show events will be included in next

year's program as well as the rural talent festival, state championship horse-pulling, horse-shoe pitching and log sawing contests.

The Pennsylvania Rural Safety Committee was elected to membership on the Farm Show Committee to become the 48th State-wide agricultural organization to obtain membership on the committee.

The Commission appointed a committee to draw up the 1950 Farm Show premium list. Committee members were: J. M. Fry, Director of Agriculture Extension at Pennsylvania State College; W. S. Hagar, Deputy Agriculture Secretary, and Kenzie S. Bagshaw, Hollidaysburg.

Brief farm facts from the Federal-State Crop Reporting Service:

U. S. wheat crop is expected to exceed domestic disappearance and exports this year—as a result, following harvest prices for 1949 crop may be considerably below the loan rate. . . . Total carry-over of feed grains at the end of the 1948-49 marketing year is expected to be about the largest on record. . . . Sales of farm chickens in 1948 totaled 1,770,000 pounds, 18 per cent below 1947, but are expected to be higher in 1949 than last year. . . . Factors pointing to dairy price stability for the next several months are a price support program for butter, and a purchase program for non-fat dry milk.

More steers were slaughtered under Federal inspection in January and February than in the same months of any of the last 25 years except 1947. . . . Meat production is expected to rise seasonally at a faster rate than last year.

**AUTO RACE OVAL
IS BEING GROOMED
READY FOR SPEED**

PENNDREL, May 5 — The piquant beauty of the modern movie star never gets half the treatment and making over that a first grade racing track is given before the grim visaged drivers begin to grind it into grooves and ruts with their chariots of speed. It is so with the one mile banked oval here that each winter feels the crushing hand of snow and ice and emerges a harriidan only to be beautified and have its dirt face lifted by the construction experts before the long cars begin to zoom around and the thousands fill its encircling stands to cheer at victory or shudder at accident.

Jimmy Frattone, for instance, is spending \$10,000 to bring back into racing shape the track this year, and this not because it has ever been neglected, but because every dirt track in every clime suffers under the ravages of the cold in winter and must, like a reigning beauty, be refaced every so often.

Thousands of gallons of oil will be used, special oil, not just the drainings of a million passenger cars, turns must be graded to just the right angle, new soils must be spread and rolled down.

The result must settle and be

worked over again, and reworked. It is unbelievable the stress and strain imposed on a track by racing cars revving up to 7500 and speeding at 100 miles an hour, the record being 106 M.P.H.

There is a time limit, of course. The track must be ready by May 15th when the first series of stock car races is scheduled.

A fifty mile feature and sprints earlier make up a program that will bring more than 100 cars and drivers of leading status into the pits and out on the long lanes.

Pepper Cunningham, who holds the record for the track, was the first to sign and others are follow-

ing as fast as Frattone can get the forms printed.

And the track — well, as one grading expert said, when he looked lovingly down through great beads of sweat from his bulldozer, "she's gonna be a beauty".

A DANGER SIGN

The cotton-textile industry has been caught in a three-way squeeze which has resulted in one billion fewer yards of cotton goods being turned out in the present six-month period than in the first half of last year.

The squeezes which are driving the textile industry into a hole, particularly in New England, are as follows:

SQUEEZE NO. 1—Labor unions in the textile industry have pushed wages up to near the point of diminishing returns, and are talking now of a "fourth round" campaign for still higher pay. The organized mills are at a heavy handicap compared with the non-unionized mills. There is a new move for New England mills to transfer their activities into the South. Whether they stay or move, they are caught between rising costs and lower market prices.

SQUEEZE NO. 2—General uneasiness in the American markets over the financial future of the country has been reflected in the unwillingness of merchants to keep their inventories up. They are buying from hand to mouth. There is in effect, throughout the nation, a sort of informal buyers' strike; everyone is waiting for further price-cuts. Merchants are trying to protect themselves. The mills have had to slow down accordingly.

SQUEEZE NO. 3—The New Deal foreign trade chickens now are coming home to roost. For several years, influences high in our State Department have been doing three things which are greatly complicating the present problem. These are: (a) setting up textile industries in foreign countries; (b) "supporting" the domestic cotton price (that means, keeping it high) by having Uncle Sam buy up American cotton and give it to foreign countries (Japan, Germany, and heaven knows who else) both for use there, and for reprocessing and reimportations into this country; and (c) cutting the tariff protections.

While the official reports on foreign trade have been so jerked around during the Truman Administration that it is no longer possible to get a true picture of the overall situation concerning commerce, there is no room for doubt there is a growing stream of cotton goods being shipped into the U. S. A. where it competes with our own production.

Some have been coming from Japan, some from Europe, some from our colonial possessions, and some from Latin America. Quite a bit of it, being subsidized somewhere up and down the line by American tax moneys, is on the market at less than American costs of production.

Much of this subject has been presented to the public by officials of the various cotton textile associations.

The facts are no comfort to the thousands of textile workers whose earnings have been reduced, or who have lost their jobs, as a result of these squeezes.

Similar squeezes are operating on many other industries. Some of the basic industries, such as steel, are considering sharp reductions in their output. Others, such as automobiles, television, etc., still are behind in supplying the demand of American buyers and therefore are a jump ahead of being caught in the rollers.

What makes the plight of the textile industry a serious problem, with ominous overtones, is that it was a similar reaction in the same industry which produced the 1920 panic after the First World War.

A sudden wave of unemployment, starting in New England, had nationwide repercussions. The post-war boom collapsed with a bang. A great many other industries followed textiles into a tailspin.

What happened was essentially quite simple. Only the "explanations" of New Deal propagandists in recent years have made it complicated.

Back just before the First World War, Woodrow Wilson, who had been elected in 1912, repealed the protective tariff laws and set up a system of "tariff for revenue"—that is to say, "free trade" under a thin disguise.

Before foreign producers could take advantage of this breach in the protection wall, the War intervened. As soon as the War was over, and as soon as ships were again free for trade, the rush of cheap foreign goods began to hit our shores. The textile trade happened to be the first one to suffer. But others came rapidly under the guns.

The panic of 1920 was a tariff panic. It came just as predicted by Republicans in 1913 and 1914—and if it was not on schedule in time, the reason for that delay is obvious: the War.

Organize Purple Cross Nurses Unit Locally

A Purple Cross Nurses Unit was organized at the bi-monthly meeting of Twilight Temple, 106, I. B. P. O. E. of W., on Tuesday evening. In charge of the organizing was Queenie Trustee, national state director of nurses in that organization. At the same time Miss Trustee presented the temple with the charter.

The newly-organized local unit will be called the "Cora Reed Purple Cross Nurses Unit, No. 199" in honor of the deceased organizer of Twilight Temple.

A past officer, Mrs. Mary Quarles, was unanimously elected president.

ENJOY "PENNSBURY"

Yesterday students from the Stevens School, Philadelphia, and from the Groveville School, Trenton, N. J., paid visits to "Pennsbury." Others who made a trip through the buildings and grounds there this week are members of the D. A. R. chapter of Orange, N. J.; Abington township school pupils; and students of the Gregory school, Trenton.

A SUMMARY OF THE NEWS

Representatives of the Big Four agreed yesterday to end the Soviet blockade of Berlin and the Western counter-blockade and to convene the Council of Foreign Ministers in Paris to discuss the entire German question, including Berlin currency. It was said the blockades would be lifted one week from today and the Paris meeting would start on May 23rd. Determination of the date on which the Berlin airlift should end will be left with General Clay. After a farewell review of his forces in Frankfurt, General Clay said the pending agreement could be only temporary, but he added that war was not inevitable.

Relief and skepticism marked the reaction to the news. Berlin felt that while the battle for the city was over, the battle for Germany was about to begin. London observers saw a change of tactics by Moscow, but not a change of heart. At a farewell luncheon in Paris, Ambassador Caffery, pointing to Soviet propaganda on "capitalist warmongering," said peace could not "bloom in the poisoned atmosphere of lies and distortions." A Moscow journal called the United States press the tool of "warmongers." Washington opinion held that

Rescue Squad Soliciting Funds; Has Fine Record

Bucks Co. Rescue Squad, a volunteer unit, which is soliciting funds from door-to-door at the present time, is specially trained for handling and transportation sick or injured to hospitals with the most modern equipment available. It is backed by 17 years of experience and service in Lower Bucks County.

This is believed to be the largest and best equipped volunteer rescue-ambulance corps in the country today. This organization supplied free of charge 437 pints of blood in emergencies for residents of Lower Bucks County during the past year. The men and women receive no pay for their services; in fact, they must pay dues for membership and buy uniforms and badges which they wear.

Donations of the public will supply and maintain this equipment. The squad supplies volunteer crews on duty for public service 24 hours a day.

ADOPT ORDINANCE FOR ACCEPTING STREETS

Second Ordinance Calls For Construction of Bituminous Surface for Same

IN HULMEVILLE BORO'

HULMEVILLE, May 5—The ordinance providing for establishing, laying out and opening of three public streets in Hulmeville borough to be known as Lincoln, Ford and Reetz avenues, and establishing grades of said streets, gutters, curbs, etc., and requiring property owners of lands abutting said streets along such thoroughfares, was adopted by members of Hulmeville borough council at an adjourned meeting held Tuesday evening in the town hall.

The ordinance, the result of many years of planning, is signed by the president of council, Samuel J. H. Hick; Burgess Leon R. Comly; and attested to by the borough council secretary, Mrs. Edward Black.

Another ordinance also enacted on Tuesday evening, calls for improvement of said thoroughfares by construction of bituminous surface roadway, and construction of cement concrete curbs and gutters along properties abutting said streets. This ordinance also authorizes the burgess and councilmen to enter into a written contract or contracts in the name of the borough for construction of said improvements to the three streets. Costs of paving of the streets is to be cared for from funds derived from sale of street improvement bonds, county aid and other legal sources.

Advance Gifts Committee Will Begin Work Next Week

HOPE FOR SUCCESS

Effort To Be Made To Increase Number of The Contributors

The Bristol Young Men's Christian Association, a branch of the State Y. M. C. A., will launch its financial campaign in Bristol, beginning May 23rd. The advance gifts committee, composed of members of the Y. M. C. A. Board of Directors, will begin next week to contact previous contributors to the work of the Y. M. C. A. in order to facilitate the work of the campaign when it opens on May 23rd.

The goal for the campaign has been set at \$7500, which the board of directors has established as a minimum needed to cover the costs of the renovation of the new Y. M. C. A. building, and to insure adequate operation for the current year. "It is hoped that this amount will be oversubscribed, in order to make available a new heating system, and some additional equipment which will be needed for the com-

Friends Plan Delightful Affair for Mrs. Corrigan

A surprise shower was tendered Mrs. John Corrigan, New Buckley street, on Tuesday evening. It was arranged by Mrs. John Talley, Mrs. Harry Berry, Mrs. Herbert Baldwin, Mrs. Timothy Reardon, Mrs. Charles Brodie and Miss Fannie Carango, and held at the home of Mrs. Talley, Spring street. Pink and blue streamers were used and gifts were arranged in a decorated basketette. A buffet lunch was served. The table centerpiece was a decorated cake with a small doll laying in the center. Favors were "three-cornered pants" filled with nuts and mints.

Others attending: Mrs. Viola Brodie, Mrs. Clifford Hagerman, Sr., Mrs. Mary Wright, Mrs. Nicholas Giagnacova, Mrs. Patrick McInerney, Miss Ann Sabatini and Mrs. Peter Sabatini.

Homeless, orphaned, uncared for, hungry, unclothed, cast aside in the wake of war... They need your help. Treasurer is Miss Theresa Galzerano, 430 Radcliffe street.

MAY SET UP DAY CAMP FOR GIRL SCOUTS IN JULY

Plan Is To Select Site Near Langhorne for Lower Bucks County

VOLUNTEERS NEEDED

LANGHORNE, May 5—Plans for a prospective Day Camp for Girl Scouts to be held in the vicinity of Langhorne were discussed at a meeting held at the home of Mrs. Reese Thomas, Camp Committee Chairman of the Bucks County Council of Girl Scouts, Inc., Station Avenue. If set up, such a camp would include girls from Andalusia, Bristol, Feasterville, Langhorne, Newtown, Cornwells Heights, Croydon, Parkland and Eddington.

Girl Scout leaders and Troop Committee members from these areas plan to discuss the possibility of securing transportation for these girls with their parents and other members of the community. If this transportation can be secured and if enough people are willing to volunteer as day camp staff, the camp will be set up for two days a week during July—a total of eight days.

"It is possible to set up a program in Day Camps similar to that in established camps. The girls are able to live in small units of sixteen girls of their own age group where they enjoy hikes, cook outs, camp crafts, crafts, songs, dramatics and campfires," it is stated.

The group will meet again on Thursday afternoon, May 12th, to decide whether or not such a camp can be set up and staffed this summer.

HARRY WANDEL, JR. FORMER BENSELEM RESIDENT, KILLED

Airplane He Was Piloting Crashes Into the Side of Yuma, Colo., Hangar

WORLD WAR VETERAN

Civil Aeronautics Engineer Was Husband of Edwina Thomas Wandel

CORNWELLS HEIGHTS, May 5—When an airplane crashed into the side of a hangar at Yuma, Colo., at 5:15 (EDST) last evening, a former resident of Cornwells Manor, Harry Wandel, Jr., aged 30, was killed.

Wandel, a veteran of World War II, had been repairing the 'plane prior to taking off. It is believed that the motor stalled before sufficient altitude could be gained, resulting in the crash. He was employed as a Civil Aeronautics engineer.

The deceased had served with the U. S. Air Force overseas during the recent war.

He is survived by his wife, Edwina Thomas Wandel, of Yuma, whom he wed last October 23rd; his father, Harry Wandel, Sr., and a brother Carl, of Cornwells Manor.

A Presbyterian clergyman telephoned members of the Thomas family, here, last evening, to inform them of the tragedy.

A short service will be arranged at Yuma by associates of the deceased, prior to the body being forwarded east for interment.

Mrs. Edwin L. Thomas, of Andalusia, mother of Mrs. Wandel, has left for Yuma to accompany her daughter home.

Handsome New Drug Store To Open Tomorrow

At nine o'clock tomorrow morning Bristol's United Drug Store will be open, bringing to Bristol the largest drug store in Bucks County. Levinson Brothers and Sigmund Moerman have spared no expense in making this new store the finest and the most up-to-date, featuring a modern soda fountain and lunchette serving Dolly Madison ice cream.

The prescription department is the newest and largest ever seen in this vicinity. All the drugs used, and also the pharmacist, are in full view of the public... you can now see your prescription compounded.

All departments have been enlarged including magazine, greeting cards and candy.

Bristol's new United Drug Store takes in an area of over 2200 square feet of floor space with a rear entrance and driveway from Market street. This year makes 20 years that the United Drug Store has been in Bristol.

On the opening celebration Miss Dolly Madison will be there in person from seven to 9 p. m. to serve her famous product. Free gifts will be presented patrons on Friday.

USE AMBULANCE

Mrs. James LaRue, Radcliffe St., is a patient in Mercer Hospital, Trenton, N. J., she being taken there yesterday in Bucks Co. Rescue Squad ambulance. This morning squad members took Charles Trickle, Andalusia, to Nazareth Hospital, Phila.

To Tackle Question of More Fed'l Aid to Schools

Washington—The Senate tackles today the question of extending Federal Aid to parochial as well as public schools. One amendment, by Sen. McMahon (D) Conn., authorizes Federal funds for transportation of both parochial and public school pupils. The second, by Sen. Donnell (R) limits use of Federal money for education to public schools.

Landlord Applications Ahead of Expectations

Washington—Federal Housing officials reported today that landlord applications for rent increases under the new "fair rent operating income" formula are running far ahead of expectations. Housing Expediter Tighe Woods has ordered the printing of an additional one million application forms because "stocks have been exhausted in many of our large offices."

Blockade To Be Lifted Unconditionally May 12th

Washington—The Big Four Powers announced today that the Berlin blockade will be lifted unconditionally May 12 and the Council of Foreign Ministers will meet in Paris May 23. The Foreign Secretaries of the United States, Britain, France and Russia will seek general settlement of German differences which have contributed to the cold war almost since the end of hostilities nearly four years ago.

MISGUIDED EXPERIMENT
Gripping has been the time honored emotional release and prerogative of the service man. The lower echelons did it in barracks, or below decks. The brass did it in the privacy of their offices, quarters and staterooms.

But with the advent of the new Secretary of Defense, Louis Johnson, gripping could become, in certain instances, a courtmartial offense. That is, if commanding officer followed to the letter the cloudy wording of a document called Consolidation Directive No. 1.

The directive, issued on April 14, was obviously intended to end inter-service back-biting and bickering. It made anything said or written by any member of any of the services subject to review for "security, policy and propriety."

The limitation of "security" made sense, but inclusion of the words "policy and propriety" — sweeping language — implied censorship. It applied to everyone in the services. It could reach out into private life and touch a retired officer, if something he said or wrote happened to strike an officer of the Defense Department or another service as "impropriety."

The pall of silence the order has thrown on military officials is practically complete. Although no officer concerned could be persuaded to open his mouth (for obvious reasons) newsmen have been able to establish that the department is anxious to do a quick flip flop on policy. They think that the department will either amend the order, or it may issue an "explanation" clarifying what the directive is supposed to explain.

There is universal doubt that Secretary Johnson had any intention of manipulating thought and speech among the services in such an absurd and dangerous fashion, accompanied by the hope that this misguided experiment in policing of thought will be speedily killed.

NO CHANGE OF HEART
While all of the western nations, including Germany, will be glad to see the end of the Berlin blockade, none of their leaders is so simple-minded as to believe that this represents a change of heart by the Soviet. On the contrary, the available testimony is still to the effect that Moscow has not abandoned its dream of world domination.

Every Russian word and action continues to indicate deep hatred of non-communist nations and a relentless determination to bring them to their knees.

If, then, the Berlin blockade is lifted, it will be simply because it has failed as a weapon in the cold war. The Soviet has been beaten at its own game and is suffering heavier losses than it is able to inflict upon the West.

What it is now doing — to use a military expression — is to withdraw from an untenable position to concentrate its forces elsewhere. There will soon be a new front in the conflict between East and West.

Rose Snyder Will Executed 4 Weeks Before Her Death

Continued from Page One

Edwin Peters, Elwood J. Peters, John W. McElroy, Walter McElroy, all of whom will inherit proceeds from the sale of the real estate, household goods, and other possessions.

Another niece, Anna Peters, was named to share the residue. The will was made June 6, 1933, and the testatrix died March 23. Real estate is located on the Bristol Pike, north of Newportville.

Five nieces, Julia L. Tice, Nellie Wehser, Annie Tice, Bertha D. Wehser and Florence Devoe, will inherit the estate of Annie M. Banes, Bristol twp. Julia L. Tice, 212 Walnut st., Bristol, was named executrix. The will was made Sept. 4, 1948, and the testatrix died March 25.

Charlesanna Gould, Morrisville who left a personal estate of \$5,000 created a \$100 trust fund in the National Bank of Chester Valley, Coatesville, for the benefit of a cemetery at Hopkirk Baptist Church, East Fallowfield twp., Chester county.

Two children, Elsie Gould Russell and Arthur E. Gould, will share the residue, according to the will which was made Nov. 1, 1940. The testatrix died March 1.

The \$2800 estate of Lillie K. Vansant, Upper Southampton twp. will be inherited by five beneficiaries. Four heirs, Harold Stout, Valerie S. Terry, Lillie S. Hingly and Edna S. Spohn, each were bequeathed \$500. The residue will be shared by the four previously named heirs and an additional beneficiary, Nora S. Terry. The will was made May 28, 1946, and the testatrix died March 20. Lea P. Terry, Cheltenham, was named executrix.

Mrs. Sallie Fluck, 302 Chestnut st., Perkasie, was named the beneficiary, with a stipulation concerning a son, Herman, after her death, in the will of her husband, Samuel G. Fluck, Perkasie. The testator, who died March 12, left a personal estate of \$100 and real estate valued at \$4500. The will was made Nov. 3, 1937.

The widow, Rachel Keefer, 121 Church st., Sellersville, will inherit the \$5,000 personal and \$5,000 real estate holdings of her husband, George S. Keefer, Sellersville, who died March 10. The will, a holographic one, was executed in pen and ink on one single sheet of small paper and dated 1919. Real estate is located at 121 Church st., Sellersville, and the widow was named executrix.

Letters of administration in the estate of Elizabeth Brown, Yardley, were granted to George P. Brown, amounting to an estate of \$4,000 real estate, and \$1,500, personal. Two sons, Jesse Harrison, Newark, N. J. and George P. Brown, Yardley, are the heirs. Real estate is located at 29 East Afton st., Yardley. The decedent died Feb. 26.

In the estate of James F. Hanratty, Bristol twp., letters of administration were granted to James J. Hanratty, 2235 C Wake rd., Phila., amounting to an estate of \$1,000.

Beneficiaries include the widow, Sarah, 1623 East Orthodox st., Phila., a daughter, Margaret Houck and four sons, James J., David T., Edward F. and John D. Hanratty. The decedent died March 31.

A Danger Sign

Continued from Page One

The panic ended when Congress passed new protective tariff laws.

The difficulties now visible in the textile trade are a danger sign because they indicate that history is repeating.

Once again, as before, a Democratic President (Roosevelt) slashed tariff rates just before a World War (the cuts began in 1934). Once again, world conflict tied up international commerce for a period of time. Once again, as shipping and production return to normal, foreign goods are showing up at prices lower than American production costs.

How much of the economic slowdown is now being felt in this country is due to the tariff reductions alone, and how much to other causes, cannot be stated finally.

But the fact that imports last year broke all records, and passed the seven billion dollar level, is most significant. Much of those goods were directly competitive with American production. Many of them, due to one reason and another, were priced lower than the American equivalents. They put American workmen out of work.

In this situation there are the makings of a new depression, perhaps deeper than ever — which will last until Uncle Sam gets wise to himself and goes back to the principle of keeping tariffs high enough to serve as protections to American industries, American jobs and American living standards.

"Good Neighbor" Award Given Mrs. P. Gleichman

An evening of fun was enjoyed by those attending the "Breakfast in Hollywood" program, Tuesday evening, in Bristol Methodist Church. The affair was sponsored by Bristol Browne troop, No. 51.

On the platform were "palm trees" made of bare trees with green paper hands to represent "palms."

Mrs. Pasquale DiLorenzo introduced the master of ceremonies, Charles Rathke who was assisted by "Corney", (Earl Mullin) and "Lima", (Caroline Bilger). Mrs. John Speier, Jr., leader of the troop, made a few remarks.

The musical program included a vocal solo by Mrs. James Swank, accompanied at the piano by Miss Gladys Liberator; piano duet, Miss Gladys Liberator and Mr. Firman; vocal solo, Miss Ethel Mae Weaver accompanied by Mr. Firman; piano solo Mr. Firman; group singing, accompanied by Charles Brodie. An orchid was presented to the

oldest woman present, Mrs. Eva Morici; and the wishing ring to Mrs. Peter Sabatini. Her wish was to have Charles Rathke sing, "If You Knew Susie", and her wish was granted. A "good neighbor" award, a vase of flowers, was presented to Mrs. Paul Gleichman for outstanding kindnesses. Her name was submitted by Mrs. Albert Sheetz.

Humorous and original hats were worn by various individuals. The judges chose as winners: prettiest hats, Mary Manzo, Dorothy Sabatini, Patricia Speakman; most original, Elaine Simpson, Mrs. Bentley and Mrs. Sheetz; funniest, Doris Wiedler and Florence Simpson. Numerous other prizes were awarded. Dish gardens and a potted plant were sent to shut-ins, namely Mrs. Scott, Otter street, Miss Virginia Pizzulla, Market street, Albert Reeves, Market street, and Mrs. S. Paul, Wood street.

The evening was concluded with the serving of refreshments in the social hall.

ing winter season," says a spokesman.

"An effort will be made this year to increase the number of contributors to the work of the YMCA, and it is planned that everyone will be given an opportunity to participate in the support of this project for the youth of Bristol."

Harold N. Crooker, Clyde Waterman, and James D. Wilson, will serve as committee responsible for the industrial division. David Landreth, chairman of the board of directors, will head the committee on personal contributions, and members of the Hi-Y and Tri-Hi-Y clubs will assist in the "House to House" canvass. Other members of the board of directors include: Paul V. Forster, Esq., David Hertzler, Warren P. Snyder, Rev. Edward G. Yeomans, Dr. John J. Hargrave, Devon Smith, Lester D. Thorne, John Burris, Miss Marian Peck, Mrs. Louis Townsend and Mrs. Vera Goslin.

T. F. Eppley, district executive of the State Y. M. C. A. will direct the campaign, "and it is hoped that everyone will give this effort their wholehearted support to insure the continued growth of this Christian service for the young people of our community," says the committee.

The new YMCA building was dedicated on March 29th, and since that time participation on the part of the young people has been unusually fine. There have been well over a hundred memberships issued to date, with new members being received each day. Attendance records for the month of April showed a participation of 1637 persons using the new YMCA facilities. In addition to this several organizations outside the membership also used the facilities: A new Youth Council, composed of young people within the membership, will be formed May 6th, to help formulate the plans for the summer program. A party for the entire membership is being planned for later this month, and plans are now underway for the continuance of the Bristol Youth

Week program, and the summer baseball leagues, swimming instruction, etc.

The YMCA building is open each evening from 6:00 to 9:00 p. m. and Saturday morning from 9:00 to 12:00 a. m. Anyone not having had the opportunity to see the facilities available for the young people, is urged to stop in and visit at any of the above times.

Village Fair Preview
Pre-June Fete Event

May 10th promises to be a gala day for everyone who goes to The Old York Road Store of Strawbridge & Clothier at Jenkintown. A preview of the famed Village Fair which is such an exciting part of

the June Fete will open at 11 o'clock. There will be sidshows, surprises, no end of attractions for everyone. A special attraction for all interested in gardening is the booth of the Huntingdon Valley Garden Club with a great array of plants and flowers, of flower con-

tributors and accessories. Informal modeling of newest summer clothes will be an important feature. All these pre-June fete events and the June Fete itself, at Justa Farm, June 4, are given for benefit of Abington Memorial Hospital. On May 10 Strawbridge & Clothier will

contribute 5% of their increase in sales for that day to the hospital. Rain dates will be May 11 or 12.

Parents Witness Scout Investiture Ceremony

CORNWELLS HEIGHTS, May 5.—Parents and friends of Boy Scout troop 12 attended the investiture service which took place in the social hall of Cornwells Methodist Church on Monday evening.

The program in part: Introduction, F. S. Lockard, Scoutmaster; group singing, led by Eagle Scout William Hart, "America" and "I've Been Working on the Railroad" (to the tune of America, played by Mrs. Bert Conn, pianist, the curtains opened and the Scouts filed in; various phases of scouting were depicted; Raymond Berger recited the Scout Promise; a brief troop meeting was conducted; Warren Poston, neighborhood commissioner spoke briefly; the procedure used when new candidates are proposed for the troop was demonstrated; piano selections, "Swanee River," "Songs My Mother Taught Me," "O Solo Mio," Mrs. Conn; candle-lighting ceremony conducted by William

Hart. Twelve candles were lighted and a Scout law recited for each; the Buffalo patrol under leadership of Charles Tomlinson was invested; institutional representative, Norman Werden presented a chart to the troop which will be hung in the Scout Hall and will be used to keep a record of Scout activities; Walter Fox accepted the chart on behalf of the troop; trumpet solo, "I'd Give a Million to-morrow"; senior patrol leader, John Lockard; group singing, "Home on the Range"; "I Want a Girl"; "Let Me Call You Sweetheart"; Camping scene in which how to set up a tent and how to make a fire without matches was demonstrated; the first aid demonstration showed several boys setting the broken leg of a Scout in a splint composed of newspapers and kerchiefs.

Other numbers: trumpet solo, "March," John Lockard; piano selections, Mrs. Conn; hand signals, demonstrated by Robert McIlhenry, 3rd, with actions by the troop; presentation of 100% "Boys Life" subscription banner and year cards

for 1949 to the troop by Warren Poston; stars for the years of Cubing and Scouting presented. Scout Edward Ream receiving a four year service star; distribution of insignias, Scoutmaster Lockard; Stephen Wilson received a second class badge; songs, "My Pal" and "Till We Meet Again," William Hart and group of boys.

Ice cream and cake were served.

Memorial Poppies Are Being Made By Veterans

Poppies by the thousands are being made by the skilled fingers of disabled war veterans at Veterans Administration Hospitals in preparation for Poppy Day, May 20. Mrs. Marvel Durham, Poppy Chairman of Robert W. Bracken Unit of the American Legion Auxiliary, announced today.

Mrs. Durham is directing arrangements for the observance of Poppy Day here, when the veteran-made poppies will be worn to honor the dead of both world wars and to aid the disabled and the children of veterans. Describing the poppy-

making activities at the Aspinwall Veterans Hospital, she said: "It is very interesting to see the way a veteran makes a poppy, taking petals of crepe paper and a stem of wire and shaping them into a very attractive replica of the wild poppies which grew on the battle fields and around the graves in Europe during both wars. Many veterans become very skillful in the work and can produce the memorial flowers with amazing rapidity. They enjoy the work, and being gainfully employed helps give them a wholesome mental attitude which promotes recovery."

"Being handmade, each of the Auxiliary's poppies is slightly different, varying with the maker's skill. At one time the Auxiliary used silk poppies, but the crepe paper flowers were adopted because they provide more interesting work for the veterans and can be made at a minimum cost for materials. Millions already have been made for this year's sale in hospitals and workshops throughout the country

and by the time Poppy Day arrives more than 25,000,000 will be ready to be worn in honor of the war dead.

"The men who make the flowers are the only persons paid for their work in the Auxiliary's poppy program. The women who distribute the poppies on the streets are all unpaid volunteers who give their services to help carry out the purpose of Poppy Day—to honor the dead and aid the disabled."

MARRIAGE LICENSES

BACKACHE, LEG PAINS MAY BE DANGER SIGN

Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Past Presidents' Day Is To Be Marked By Travel Club

Past-Presidents' Day will be observed at the bi-weekly meeting of the Travel Club tomorrow afternoon at 2:30 in the club home.

The drama, literature and music committees of the club have been collaborating to make this an interesting and unusual program, and a number of the past presidents will participate.

Mrs. Harry T. Neher, chairman of the program committee and a past president of the club, will be in charge.

Full is a guest day and the hostesses will be Miss Frances H. Lantieri and Mrs. Emil Metzger.

Previous to the meeting, the past presidents will enjoy a luncheon at the Penn Manor Club.

Today's Quiet Moment

By Rev. Bickley Burns Broadhead
Pastor
Bensalem Methodist Church

Psalm 139:23: "Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting."

We test everything but the quality of our lives. Knowledge is put to the test in school. A car is given a road test. Water is tested for purity. As we read the Courier we see the world put to the test day by day. In the quiet moment ours is the opportunity to take time and test our day, our ideas, our lives. The willingness to test one's life in the light of God's revelation in Jesus as to what our lives should be—this is the most important test of life. Check up on yourself in the light of the standards set by Jesus. Let God's Word and Spirit test you!

"Search me, O God, and know my heart: try me and know my thoughts. . . and lead me in the way everlasting. Amen."

HIGH SCHOOL NINE SCORES ALL RUNS IN TWO INNINGS

MORRISVILLE, May 5 — Bristol High scored all its runs in the first two innings yesterday afternoon as it trimmed the Morrisville Bulldogs, 7-3, on the Robert Morris field. The triumph enabled the Warriors to move into a tie with Council Rock for first place in the Lower Bucks County League.

The Warriors counted five big markers in the first and drove the Morrisville mound ace, "Jim" Ryan, back to the bench in first order. "Bill" Powell, who replaced Ryan, was nipped for two runs in the second but settled down to allow two hits without a run in the last five frames.

Joe Ashby, Coach Jerry Bloom's hill choice, set down the home team with comparative ease. Morrisville tabbed Ashby for three hits, two singles and a double. The Bristol hurler was given ragged support, six errors being charged to his mates. He whiffed seven and gave up four passes.

Ashby's battery mate, Frank "Hustler" Barbetta, handled his slants with ease and was a fine help behind the plate. Barbetta had three assists, throwing out two runners at third and picking off another at first.

At the plate, Frank Rich contributed two hits which drove in three runs for Bristol's cause. Others who had a pair of hits were "Bill" Moll and "Jimmy" Morrell. Joe Dominick had the only extra base hit for the winners, a double in the first.

Morrisville had six base-runners stranded, while Bristol left four on base.

The Bulldogs scored their first marker in the initial frame when with one zone, E. Ryan drew a walk and after stealing a base crossed when Andy Nemeth cracked out a double, the only Morrisville extra base hit. Felver went out on a fly and Johnson reached base on an error but Barbetta picked him off the bag.

Nine batters stepped up to the plate in the Bristol half of the inning. Braam hit safely and Morrell walked. Barbetta advanced the runners with a sacrifice. Moll, Rich and Sam Petrizzi hit singles and Dominick followed with a double and five runs were over the plate. Pindar and Ashby skied out.

The Bloom-coached lads added two more in the second. After Braam grounded out, Morrell and Barbetta had base hits. Moll sacrificed the runners and Frank Rich's single enabled both to score. That was the climax to Bristol scoring, although Morrell had a hit in the fourth and Moll in the seventh. Moll was out at the plate, attempting to score on a steal.

Morrisville counted a pair of runs in the third. After Marcucci singled, three errors in the infield on grounders by Ryan, Felver and Johnson pushed over the runs. Marcucci and Johnson went out at third on throws by Barbetta.

The Bulldogs attempted some sort of a rally in their final turn with the stick. After Powell struck out, Zack batted for Morley and got a hit. Marcucci got a break on Petrizzi's error. Ryan was tossed out by Ashby. Nemeth walked to load the bags. Felver hit to Petrizzi and went out at first.

ant to district secretary Davis; Dr. Joel S. Strickland, president of Ambler club, and Mrs. Strickland; William Kay, president of Langhorne Lions Club and Mrs. Kay; Mr. and Mrs. Al Rotelli, of the Ambler club.

The entertainment was furnished by Edward Brown, who acted as master of ceremonies, he keeping the audience in "stitches." He called upon Henry Sodano to render several vocal solos, and also Mrs. D'Annunzio to sing several numbers. A surprise was given the audience when Mr. Brown introduced little Anthony Inverso, accordionist, who recently took top honors in an amateur hour program. Anthony capably responded, and made a great impression with his skill on the instrument. There were also acts of magic and musical selections; and solos by Mr. Brown.

Door prizes were awarded to some ticket holders, then the group enjoyed dancing with music furnished by an orchestra.

TOWNSHIP VARSITY WINS FIRST GAME OF THE SEASON

Bristol Township's varsity team won its first game of the season, yesterday afternoon, as it beat the St. Francis Vocational School nine, 8-3, on the winners' field.

Harry Eisenbrey and "Lou" Loeffler paved the way for the Township triumph with two hits each. Eisenbrey had a triple and single while Loeffler contributed a double and single. The other Township bingle was made by Bob Ashby.

Coach Stan Dick used Lane Conn and Ashby against the St. Francis boys. Conn went out in the fifth and Ashby finished.

St. Francis used Milano and Garrett on the mound with the former going behind the plate when Garrett came in to pitch. St. Francis had three hits.

The New '49 PONTIAC

Even Better than it Looks!

When you observe its fresh and fleet new beauty, it might seem unbelievable when we say that the 1949 Pontiac is even better than it looks. But after you've examined its scores of new comfort and quality features . . . after you've experienced its really exciting performance . . . we're sure you, too, will agree that in basic goodness, it surpasses its own good looks!

It's hard to believe a car so low-priced could combine the flashing sleekness of Pontiac's new styling . . . the gracious comfort of Pontiac's new Vision-Aire interiors . . . and the almost incredible road-easing action of Pontiac's exclusive "Travelux" Ride. Add to those unique attractions, the "zing" . . . the smoothness . . . the economy and proved dependability of Pontiac's famous improved straight eight and six cylinder engines . . . and the matchless driving enjoyment of GM Hydra-Matic (Optional at extra cost) and you've got something almost irresistible! There's no better time than now . . . to see it and to place your order.

PONTIAC'S EXCLUSIVE NEW "TRAVELUX" RIDE is an experience in comfortable ease unique among motor cars — achieved by combining Pontiac's new Center-Poised seating, softer springs, gentle-flex front suspension, new sealed airplane-type hydraulic shock absorbers and new low pressure tires!

in Assumpsit**

IN AMOUNT OF \$216.52

DOYLESTOWN, May 5 — Three suits, one in which a Morrisville man is being sued for \$216; another in which a Haycock township wife is seeking a divorce and the other in which two motorists, Franklin Allen and Leon Winkler, are appealing from a judgment handed down by a Sellersville Justice of the Peace, have been filed in the Court of Common Pleas, here.

Following a decision by Justice

of the Peace Paul H. Stinley, Sellersville, in which he gave judgment for \$216.52 with interest from October 19, 1948, to an Allentown motorist, G. W. Reed, 122 South 16th street, two Quakertown, RD 1 motorists, Franklin Allen and Leon Winkler, have filed an appeal in the Prothonotary's Office, here.

The motor accident happened October 12, 1948, at South Main street and Park avenue, Quakertown, when Franklin was driving a car owned by Winkler. Justice of the Peace Stinley handed down his

decision Feb. 23, this year, in favor of the plaintiff, Reed.

Mrs. Julia Angeline Wefss, Haycock twp., Quakertown, RD 3, has named her husband, Richard Ferdinand Weiss, Main st., Hellertown, defendant in a divorce suit. They were married June 6, 1937, by Rev. M. A. Sysol, rector of St. Isadore's Catholic Church, Quakertown. The defendant's home address is Bethlehem, RD 4.

John P. Reading, 135 Keystone st., Morrisville, has been named the

defendant in an action in assumpsit by Esso Standard Oil Company of Penna., which is claiming \$216.52 from June 1, 1948, for the purchase of gasoline, petroleum and auto supplies.

NEWS OF INTEREST TO PA. FARMERS

By John Harms
(U. N. S. Penna. Farm Editor)

HARRISBURG, May 5 — County officials throughout the State today were laying the groundwork for Pennsylvania's traditional Fairs.

Ninety-eight counties and communities so far have filed intentions to hold fairs with the State Agriculture Department and others were expected to notify the Department of carnival plans.

The season starts August 1 when the Clearfield County Fair opens a six-day stand at Clearfield.

Last year the Department reported 193 county and community fairs in the State. Each fair is eligible to share in State aid for payment of premiums for agricultural exhibits. These exhibits are the pace-setters for products and exhibits which eventually wind up at another Pennsylvania tradition — the State Farm Show in January.

Fair attendance at last year's festivals amounted to 4,284,000, according to the Department and Secretary Miles Horst said he expected greater throngs to see top-notch exhibits at this season's fairs.

The 1950 edition of the Pennsylvania Farm Show was set for January 9-13, and will offer, in addition to the usual exhibits, evening programs along the same lines which attracted 550,000 visitors last January.

Horst, chairman of the Farm Show Commission, said popular features such as the Pennsylvania State Police horsemanship and dog show events will be included in next

year's program as well as the rural talent festival, state championship horse-pulling, horse-shoe pitching and log sawing contests.

The Pennsylvania Rural Safety Committee was elected to membership on the Farm Show Committee to become the 48th State-wide agricultural organization to obtain membership on the committee.

The Commission appointed a committee to draw up the 1950 Farm Show premium list. Committee members were: J. M. Fry, Director of Agriculture Extension at Pennsylvania State College; W. S. Hagar, Deputy Agriculture Secretary, and Kenzie S. Bagshaw, Hollidaysburg.

al-State Crop Reporting Service: U. S. wheat crop is expected to exceed domestic disappearance and exports this year—as a result, following harvest prices for 1949 crop may be considerably below the loan rate. . . . Total carry-over of feed grains at the end of the 1948-49 marketing year is expected to be about the largest on record. . . . Sales of farm chickens in 1948 totaled 1,770,000 pounds, 18 per cent below 1947, but are expected to be higher in 1949 than last year. . . . Factors pointing to dairy price stability for the next several months are a price support program for butter, and a purchase program for non-fat dry milk.

More steers were slaughtered under Federal inspection in January and February than in the same months of any of the last 25 years except 1947. . . . Meat production is expected to rise seasonally at a faster rate than last year.

AUTO RACE OVAL IS BEING GROOMED READY FOR SPEED

PENNDLE, May 5 — The piquant beauty of the modern movie star never gets half the treatment and making over that a first grade racing track is given before the grim visaged drivers begin to grind it into grooves and ruts with their chariots of speed. It is so with the one mile banked oval here that each winter feels the crushing hand of snow and ice and emerges a harridan only to be beautified and have its dirt face lifted by the construction experts before the long cars begin to zoom around and the thousands fill its encircling stands to cheer at victory or shudder at accident.

Jimmy Frattone, for instance, is spending \$10,000 to bring back into racing shape the track this year, and this not because it has ever been neglected, but because every dirt track in every clime suffers under the ravages of the cold in winter and must, like a reigning beauty, be refaced every so often.

Thousands of gallons of oil will be used, special oil, not just the drainings of a million passenger cars, turns must be graded to just the right angle, new soils must be spread and rolled down.

The result must settle and be

worked over again, and reworked. It is unbelievable the stress and strain imposed on a track by racing cars revving up to 7500 and speeding at 100 miles an hour, the record being 106 M.P.H.

There is a time limit, of course. The track must be ready by May 15th when the first series of stock car races is scheduled.

A fifty mile feature and sprints earlier make up a program that will bring more than 100 cars and drivers of leading status into the pits and out on the long lanes.

Pepper Cunningham, who holds the record for the track, was the first to sign and others are follow-

ing as fast as Frattone can get the forms printed.

And the track—well, as one grading expert said, when he looked lovingly down through great beads of sweat from his bulldozer, "she's gonna be a beauty".

Sunshine or rain! Want Ads results repeat again and again!
